COACH RICHARD POWERS

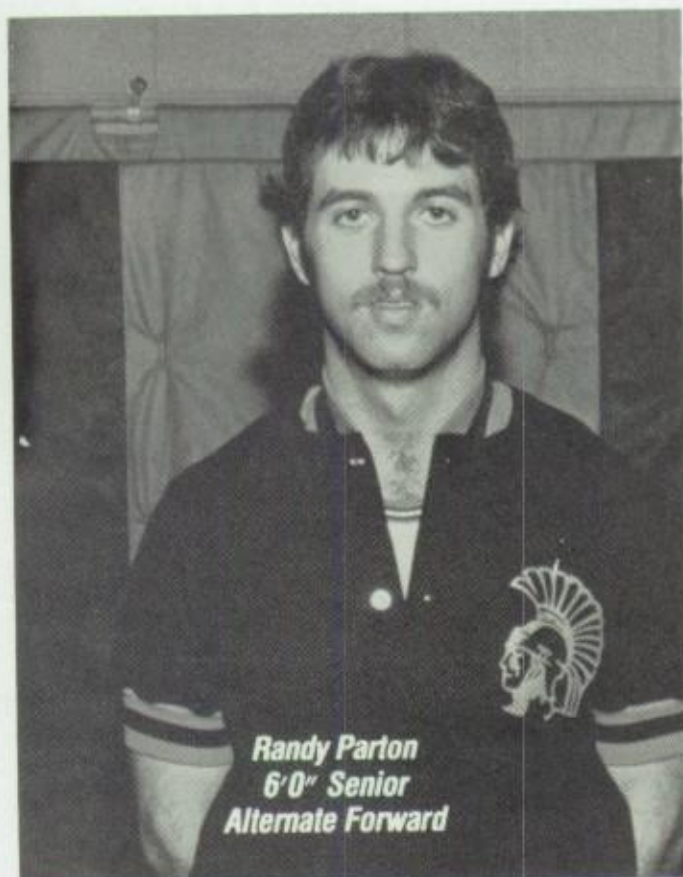

The basketball was quite enjoyable from a coaching standpoint. The team "grew" a great deal through the course of the season. Growth not in stature but in team pride, togetherness, and self-respect. A team's final record is not always the true measure of how successful a season was. The '86-'87 Trojans were winners!

**COACH
KEITH JOHNS**

The C.O. Baseball team accomplished what very few teams have, and what no other team at Crab Orchard has — an undefeated regular season record. The Trojans beat teams with great pitching, defense, and timely hitting. They finished the regular season with a 15-0 mark. The Trojans won two more games, before falling in the regional finals to powerful Cobden, the eventual 2nd place finisher in the state tournament. Hopefully, 1988 holds more of the same as 12 of 15 players return. Thanks for a great season and memories never to be forgotten.

**COACH
BRIAN OPON**

The Lady Trojans showed success this season, posting an overall record of 12-3. With only one loss during regular season play, they managed to finish on top in the G.E.C. standings. As coach, I am proud of our girls here at Crab Orchard as they should be of themselves. All the girls are eligible to return next season along with some promising freshman talent. Crab Orchard should be the team to watch in '88.

A.F.S. has co-sponsored the Harvest Hoedown, and sponsored both Guido and Sasa on their trips to other A.F.S. Chapters and special weekends. Our goal is to foster a better understanding of other cultures, to make friends around the world, and to have the experience of sharing ourselves with others. One new experience for us this year was to send one of our own students to New Zealand.

Crab Orchard teams competed against eighteen other area schools. One project involved constructing a tower of newspaper that would support as much weight as possible. Crab Orchard's tower won 2nd place.
